

## Northern, Yorkshire and Humberside Digital and Information Forum

### 17<sup>th</sup> May 2024 - MS-Teams, Virtual Meeting Meeting Notes

#### 1. Minutes and matters arising from March meeting

James Rawlinson updated the group regarding the initial bursary scheme with Sheffield University, working with Professor Bath, Head of Data Science. Five applicants will shortly be selected. Each award will be £500, and the recipients will be invited to the NYHDIF Conference.

#### 2. Partner updates –

- **Matt Lutkin - Cyber Security Principal Consultant, Regional Security Lead (North East & Yorkshire)**

A TLP Amber briefing can be supplied on a 1-2-1 basis, please contact Matt.

##### **Microsoft Windows 10 21H2**

21H2 going out of support on 11<sup>th</sup> June 2024. Note that this will impact your DSPT return on 30<sup>th</sup> June for 98% of desktop estate being in support.

##### **MDE Uptake**

We are expecting increasing comms around MDE uptake particularly from the CIO forum with a focus on server uptake of the product as required by the Microsoft Participation agreement. If there are any vendor issues with installing MDE let your Regional Lead know.

##### **Non-NHSmail Email Tenant – Intelligence**

NHS England CSOC would like to produce information for NHS Organisations who host their mail service on premises and are not using NHS Mail to help them hunt and protect from threats that the CSOC already manage for the NHSmail tenant. They are looking to gather contact details for NHS organisations that wish to receive notifications, IoC's and other relevant information relating to investigations of mail fraud incidents by the CSOC.

We feel that these organisations are not getting the benefit of all the intelligence we gather from our work in this area. This includes information tailored for Cyber Security teams and Finance teams.

They have created an [opt-in form](#) to complete if you are interested.

- **Caroline Booth - Skills Development Network**

Caroline thanked everyone who submitted the data on workforce. Attain have been appointed to go through the census returns and a workshop will be held on 18<sup>th</sup> June.

A meeting to be held with the Emerging Leaders network to see how the SDN can support the network.

The Learning Portal has been launched for May. Cohort 2 will be November time.
